

## Health & Safety Advice for small businesses

Understand and manage risk

### Giving you access to professional, expert health and safety advice

Health and Safety can be time-consuming, costly and dangerous if not done correctly, but it doesn't have to be complicated and scary.

AdviserPlus Health & Safety Advice provides you with the peace of mind that not only are your people protected, your business's success and growth is protected too.

We provide you with practical advice and guidance to ensure you are compliant with legislation, avoid breaches and fines but, most importantly, injuries and accidents.

#### AdviserPlus Health & Safety Advice

AdviserPlus Health & Safety Advice gives you access to experienced, knowledgeable and qualified health and safety professionals who understand the risks associated with your type of business.

The service also gives you access to an online portal containing guidance and hundreds of health and safety documents and templates. In addition, you can receive unlimited telephone support from our dedicated team of health and safety professionals who will give you legally reliable and practical advice.

AdviserPlus Health & Safety Advice is the best value for money and peace of mind you can get, helping you navigate the increasingly complex landscape of Health and Safety legislation and compliance.
